Indoor Unheated Emergency Safety Shower Type: Floor Mounted with Protected Frame

Floor mounted unheated emergency safety shower and stainless steel eye/face wash each attached to stainless steel handrails with integral floor grating, providing extra support to the casualty in the event of an emergency. The frame also provides a designated area for the safety equipment and avoids the space becoming cluttered. Available with either galvanized mild steel or stainless steel pipework. Includes universal eye wash and shower sign for enhanced visibility. ANSI compliant.
