

H40K45G-A

Mobile, Self-Contained Emergency Safety Shower with Heated Jacket

The 114 liter (30 US Gallon) capacity mobile self-contained emergency safety shower with eye/face wash unit and heated jacket to prevent water within the cylinder freezing. Suitable as a secondary safety measure to supplement permanent installations and capable of delivering a constant flow of water for 1-1/2 minutes. The design features a polypropylene lined cylinder, a stainless-steel frame and large pneumatic tires, making it easy to maneuver by one person.

Options:

- Choice of flameproof or non-flameproof models
- Hand-held eye, face and body shower
- Non-jacketed model also available

Specifications
